City Council Adjourns In Stafford's Memory

Redwood City councilmen adjourned their meeting Monday in memory of Mr. Daniel Stafford, pioneer resident, who died last week. They drafted a resolution of sympathy.

Spink Gets Approval On Lot Rezoning

The rezoning of two lots on Myrtle St. between Jefferson and Madison Aves. from first to second residential was approved Monday night by Redwood City councilmen.

Gilbert Heads County Press

The San Mateo County Press Assn. Tuesday night elected Walter Gilbert, copublisher of the San Bruno Herald, president for 1949. He will succeed Mrs. Aileen Bramble of the South San Francisco Enterprise. Ray Dixon, San Carlos Courier-Bulletin, was elected vice president, and J. Hart Clinton, publisher of the San Mateo Times, was elected secretary-treasurer.

The association met at Lyle's, South San Francisco. Host newspaper was the San Bruno Herald. Officers will be installed at the December meeting in Sharp Park.

'Loyalty Oath' Bill Introduced

An ordinance requiring that all Redwood City employees take a "loyalty oath" was introduced by councilmen Monday night. Besides the standard clause relative to the upholding of the constitution, the oath requires employees to swear or affirm that they do not advocate the overthrow of the government by force.

Councilmen did not make any attempt to bring the oath into line with the Declaration of Independence which justifies revolution when any form of government becomes destructive to "life, liberty and the pursuit of happiness."

Musician Sentenced in Narcotics Case After Admitting Deal With Peninsula Woman

Donald M. Foote, 19-year-old, started using marijuana in "jam" sessions, late Tuesday was sentenced to the California Youth Authority for possession of narcotics.

Superior Judge Edmund Scott meted out the sentence after the youth pleaded guilty to the narcotics charge. Foote was arrested by Burlingame police on Sept. 27 when the officers found a box of marijuana in his room at 342 Highland Ave., San Mateo. His alleged accomplice, Jane Grant, 24, of 2104 Hillside Dr., Burlingame, is charged with the same offense and is to be arraigned before Judge Scott next Monday afternoon.

Narcotics agents who suspected that Miss Grant was growing marijuana in the back yard of her home tipped off Burlingame Police Chief R. C. Theuer. Chief Theuer followed Miss Grant to the 16-Mile House, Millbrae, where she worked as a cigarette girl, and in her car found a roll of film which contained pictures of the marijuana hedge and Foote. Foote Tuesday was described by his attorney as a "knight in shining armor" who was trying to protect the girl.

Adult Probation Officer Don Helbush reported that the youth told him that he started using drugs in San Diego in musicians' jam sessions, in which he played the saxophone and clarinet. It was at one of these jam sessions that he met Miss Grant. Foote subsequently decided to abandon a musician's career, came to the Bay Area. Miss Grant helped him get a job as an interior decorator's apprentice, Helbush reported.

The probation officer also stated that Foote was arrested in Southern California during July, 1947, for smuggling narcotics. He pleaded guilty and was placed on probation.

Bus Driver Dies After RC Accident

George C. Alvarez, 35, 1246 Nagles Ave., San Jose, died Tuesday at Community Hospital as the result of injuries suffered Saturday when a bus he was driving crashed into the rear of an ice transport truck in Redwood City.

He was the fifth traffic fatality of the year here.

He was the husband of Dorothy Alvarez, the brother of Joseph and Charles Alvarez of San Diego, and the grandfather of John, Nancy and Michael Sage of San Diego.

He was a member of BPOE Lodge 613 in Santa Barbara. The northbound Airline Bus Co. vehicle Mr. Alvarez was driving struck an ice truck owned by the Centerville Independent Ice Co. early Monday on Bayshore Hwy. near 5th Ave.

One 300-pound block of ice smashed through the front of the bus, but missed the driver who was pinned between the two vehicles. Other blocks of ice skidded across the highway causing cars driven by Virgil Minder, South San Francisco, and Edward A. Hartford, San Francisco, to collide. Driver of the ice truck was Ernest Owens, 3132 Geary St., San Francisco.

Seven other persons were treated for minor injuries in addition to Mr. Alvarez.

2-Hour \$1500 Fire In Daly City Home

Daly City firemen battled a \$1500 house fire for two hours Monday night before bringing it under control.

The fire broke out at the home of Carl Duff, while the occupants were out.

Neighbors noticed smoke pouring from the windows of the one-story dwelling and telephoned the alarm in.

Damages, estimated at \$1500 by John E. Kennedy, fire chief, was confined mainly to the walls, ceilings and furnishings.

The flames ate through the walls into the adjoining home of J. L. Henry.

A pet canary, smothered in its cage, was the only casualty. A mother dog and her puppy escaped through a doorway.

John Reber Talks To Menlo Park Lions

John Reber, proposer of the Reber Plan to make the northern and southern arms of San Francisco Bay into fresh water lakes, explained his plan at a recent meeting of the Menlo Park Lions Club.

Reber told the group that his plan would result in a good water supply, more manufacturing, good transportation, and residential expansion.

Jack-o-Lantern Fire in Home Here

Redwood City firemen extinguished a \$500 damage fire, believed caused by a Halloween jack-o-lantern Saturday at 8:25 p.m. at the home of R. J. Manning Jr., 501 Spring St.

Polio Cases In October Set Record

October racked up an all-time record for poliomyelitis in San Mateo County with 27 cases, Dr. Harold Chocho, county health director, reported Tuesday.

Two new cases were diagnosed during the weekend, the doctor said, raising the year's total to 74, also a record.

The new cases were those of a 3-year-old Menlo Park girl, whose illness was diagnosed as infantile paralysis Friday, and of a 32-year-old Redwood City woman, who became ill Saturday. Both are in Community Hospital, where their conditions are listed as "good."

Dr. Chocho said that no one is in the respirator at the isolation ward of the hospital, showing that the more serious cases are recovering.

The previous high for a year was 54, in 1943. This year's epidemic has accounted for four deaths. Dr. Chocho said that the State Department of Health reported that 8419 cases of polio occurred in the state this year up to the end of September. Of these, 148 were fatal.

He said that the state department also reported that only 37 per cent of those stricken were paralytic, and that some of the after effects of those may not be permanent.

RC Man Injured In P.A. Accident

A Redwood City man suffered minor injuries Monday in a traffic collision in Palo Alto, Palo Alto police reported.

Nick C. Skrabo of Portola Rd. was treated for an injured shoulder and dislocated from Palo Alto Hospital.

Sherman D. Lamb of Palo Alto was driving the other car involved, officers said. Both men were cited for non-possession of an operator's license. The mishap occurred at Emerson St. and Hawthorne.

Splendora Merlitti to Appear in 'Dollar Opera' Productions

When the Dollar Opera Co. opens its season at the War Memorial Opera House in San Francisco tomorrow night, a Redwood City girl will be among the leading artists. Splendora Merlitti is the young lady in question and she has been winning a name for herself as one of the most promising coloraturas of our day. In addition to her opera and concert laurels, Miss Merlitti recently began a successful series of radio programs on Sunday afternoons over KQW. Another Peninsula singer also will be featured, in the person of Joseph Tissier, San Mateo

tenor, who has been heard in opera and concerts nationally, as well as in the Northern California area.

The Dollar Opera Co. (actually the new Pacific Opera Co.) is a surprising innovation in these days of high prices. The low, popular price is made possible by the support of a large group of

civic-minded music lovers, who see in the dollar opera season an opportunity for the young artists

of the area, as well as the presentation of good operatic performances for the benefit of the general public who can't afford the high prices of the more pretentious productions.

In the oven . . . in a jiffy!

Getting a turkey ready to roast used to be more trouble than getting Junior ready for school. It used to be, we mean. Now, using the oven-ready kind of turkey you'll find at Safeway, the job's a cinch.

These turkeys are really clean! Hardly a pin-feather to pick. No singeing to do. No cleaning left to do inside—the turkey is completely ready for stuffing.

The birds are selected from finest flocks—fed to produce tender, sweet meat. In plants as spotless as your own kitchen they are cleaned and dressed under careful supervision. After each bird is drawn, it is thoroughly washed inside and out with a high-pressure stream of water. Nothing is left in or on the turkey to mar the fresh, sweet flavor of the meat. Quick-freezing seals in the natural goodness—keeps it in. An individual package protects your turkey from the plant to your home.

Buy your turkey from Safeway . . . OVEN-READY It's the easy way to enjoy turkey at its best.
